

# Core Values

We, members of AMTOI, believe in the follow core values,

## **Honesty and Integrity**

One cannot exist without the other. If a relationship with our customers and vendors must flourish, it must be based on the values we hold sacred- values such as trust, reliability and transparency. We treat all stakeholders with consideration and respect, upholding a culture of sharing and consultation

## **Taking Personal Responsibility**

Respect and a sense of equality drive our internal environment. We inculcate a strong sense of responsibility to our clients, our vendors, our colleagues and our firm.

## **Strong and Personal Client Relationships**

Our client relationships are more than just business partnerships. We endeavor to understand the person as well his business and forge longstanding relationships based on mutual respect and trust.

## **Mutual Support Professional Commitment**

We are committed to the promotion of Multimodalism and strive to increase efficiency by increasing speed and reducing the cost of transactions.

## **Environment**

We care for our environment and shall take all necessary steps to conduct our business in a way to save carbon fuels and lessen our carbon foot print.
